

## **“He’s More than a Sunday School Answer”**

Hebrews 4:14-16

Derek Slack

The reality of what we must see today is that Jesus was tempted just like us, but in the end He did not sin.

Why is this so important? Because without this, who would we trust in? Where would we find true hope? How could we be confident in our relationship with God?

Today as we unpack these three verses, we find we are called to lean into the truth that Jesus is our unshakable hope in every area of life.
