

“I’m Serious”

James 5:1-12

Derek Slack

The last time we were in James we ended on an interesting note. Faith is to be integrated into everything that we do. Great sentiment, but hard to do. We ended on the passage in Colossians 3:1-4 emphasizing this part of verse 4 ***“When Christ who is your life...”*** When He is your life, your life looks different.

Now, leaving chapter four and moving into chapter five, some of the sharpest language of James will be presented. We live in a world today that very much is surrounded by toxicity that can be quite deadly. God has a life prepared for us that will enrich us and bless us.

Here’s what sits before us this morning. Jesus is coming back, and we need to be prepared for that. There are two truths that James points to that Jesus is serious about.

1. Jesus is serious about _____

2. Jesus is serious about _____
