

# ***When Jesus Looks At Us, What Does He See?*** (part one)

## **"Jesus Sees Right Through Us" Series**

Pastor Tim Maddock

*Not only was Jesus given the most difficult job ever (save mankind at the cost of your own life) but he also was committed to the spread and growth of the Kingdom of God through the life and witness of human folk like you and me. We must be incredibly smart, spiritually savvy and insightful, right?? Today, we will look at questions Jesus asked his disciples and others that reveal just who we are...and how well he "sees right through us"!*

### **"Have you not understood all these things?...Are You still so dull?"**

Matthew 13: 51; Matthew 15: 16

- Jesus, speaking to his disciples about the deep truths of the parables

### **"Do you still not understand?"** Matthew 16: 9

- One of my favorites! Jesus has just fed the 4,000, yet his critics want another "sign from heaven" to prove his authority – Jesus gets into a boat with his disciples – and the fun begins!

### **"You are Israel's teacher, and do you not understand these things? I have spoken to you of earthly things and you do not believe; how then will you believe if I speak of heavenly things?"** John 3: 10, 12

- Just because you score high on the ACT doesn't mean you got it all figured out.

### **"Do you understand what I have done for you?"** John 13: 12

- Originally Jesus asked the disciples this question. I think He is still asking us today...

### **"Don't you know me, even after I have been among you such a long time?"**

John 14: 9

- Of all the questions we have looked at today, this is the one that hits me the hardest...

***Why Are We So Slow? What Makes  
It So Hard For Us To "Get It"?***
